Horse vs. Automobile

BEFORE you oil card your horse and buy an auto it is well to think of the cost. 1

Figure how much you spend for hat nets and then think of what new tires amount to.

Figure up what it takes to feed Dobbin in a year and then think of ca»olinev repairs and storage charges. Dobbin is worth what you paid for him two years ago, where** the man with an auto that can say the same? '

Come in and get a new harness instead of a new car and remsmber that Dobbin will take you through snow- and mud as well as on good road* and that hit carburetor is never out of order.
